• EPNS CONGRESS COMMITTEES •

SFNP Executive Board

Sylvie NGUYEN, President, University Hospital of Lille
Stéphane AUVIN, General Secretary, University Denis Diderot (Paris VII)
Sylviane PEUDENIER, Treasurer, University Hospital of Brest

Chairs Local Organising Committee

Vincent DES PORTES, Chief of the Paediatric Neurology Department
Alexis ARZIMANOGLU, Chief of the Epilepsy, Sleep and Paediatric Neurophysiology Department
Hôpital Femme Mère Enfant (HFME), University Hospitals of Lyon, France

EPNS Representative for France

Isabelle Desguerre, Necker-Enfants Malades, University of Paris V (René Descartes)

Local Scientific Committee

Epilepsy disorders

Alexis Arzimanoglou, University Hospitals of Lyon

Multiple Sclerosis & related CNS inflammatory diseases

Marc Tardieu, Le Kremlin-Bicêtre Hospital, University of Paris XI
Kumaran Deiva, Le Kremlin-Bicêtre Hospital, University of Paris XI

Neuromuscular pathologies

Isabelle Desguerre, Necker-Enfants Malades, University of Paris V (René Descartes)

Neurodevelopmental disorders

Vincent des Portes, University Hospitals of Lyon

Inherited metabolic diseases

Brigitte Chabrol, University Hospitals of Marseille

Local Organizing Committee

Maryline Carneiro
Aurore Curie
Julitta De Bellescize
Patricia Franco
Anne Guignard-Perret
Julien Jung
Pascale Keo Kosal

Laurence Lyon-Francois
Véronique Manel
Clara Milleret
Alexandra Montavont
Karine Ostrowsky-Coste
Eleni Panagiotakaki
Anne-Lise Poulat

Aude Raoux
Christelle Rougeot-Jung
Christophe Rousselle
Isabelle Sabatier
Dorothee Ville

• EPNS SCIENTIFIC BOARD MEMBERS •

Lieven Lagae, *President*

Nina Barisic (*Croatia*)

Banu Anlar (*Turkey*)

Peter Baxter (*UK*)

Günther Bernert (*Austria*)

Francisco Carratalá-Marco (*Spain*)

Coriene Catsman-Berrepoets (*The Netherlands*)

Dana Cristina Craiu (*Romania*)

Linda Joanna de Meirleir (*Belgium*)

Rob Forsyth (*UK*)

Isabelle Desguerre (*France*)

Florian Heinen (*Germany*)

Katalin Hollody (*Hungary*)

Jean-Pierre Lin (*UK*)

Alla Nechay (*Ukraine*)

Finbar O'Callaghan (*UK*)

Barbara Plecko (*Switzerland*)

Raili Riikonen (*Finland*)

Thomas Sejersen (*Sweden*)

Biayna Sukhudyana (*Armenia*)

Maja Steinlin (*Switzerland*)

Michael Albertus Adrianus Petrus

Willemsen (*The Netherlands*)

Dimitrios Zafeiriou (*Greece*)

Sameer Zuberi (*UK*)

CONFERENCE ORGANISER & SECRETARIAT

ANT Congrès - 154 avenue de Lodève - 34070 Montpellier - France

Phone: +33 4 67 10 92 23 - Email: epns-sfnp@ant-congres.com

• PRELIMINARY SCIENTIFIC PROGRAM •

Monday June 19

09:00 - 17:30

NEUROMODULATION SYMPOSIUM
Pr Jean-Pierre LIN

Program pending

WELCOME

Monday
June 19

Tuesday
June 20

Wednesday
June 21

Thursday
June 22

Friday
June 23

Saturday
June 24

• PRELIMINARY SCIENTIFIC PROGRAM •

Tuesday June 20

Monday
June 19

09:00 - 17:30 **NEUROMODULATION SYMPOSIUM**
Pr Jean-Pierre LIN

Program pending

Tuesday
June 20

12:00 - 18:30 **PAEDIATRIC NEUROLOGY
EDUCATIONAL COURSE**
(FRENCH SPEAKING)

*Co-organized by the hosting
Société Française de Neurologie
Pédiatrique (SFNP)
and the French speaking
Société Européenne de Neurologie Pédiatrique
(SENP)*

12:00 - 16:00 **Special EPNS Board meeting**
16:15 - 18:30 **CNA Meeting**

Wednesday
June 21

17:30 **REGISTRATION OPENS**

19:00 - 19:30 **OPENING CEREMONY**

Welcome from EPNS president
Lieven Lagae (Belgium)

Welcome from SFNP local organizing committee
Vincent des Portes (France)

Welcome from the city of Lyon

Thursday
June 22

19:30 - 20:30 **AICARDI AWARD LECTURE**
Chair: Lieven Lagae (Belgium)

20:30 - 22:30 **WELCOME RECEPTION «CUISINE LYONNAISE»**
Co-hosted with the Grand Lyon
Cite Internationale Exhibit Area

Friday
June 23

Saturday
June 24

• PRELIMINARY SCIENTIFIC PROGRAM •

Wednesday June 21

Monday
June 19

Tuesday
June 20

Wednesday
June 21

Thursday
June 22

Friday
June 23

Saturday
June 24

INTERACTIVE EARLY MORNING TEACHING SEMINARS

08:00 - 08:45	Migraine as a life-span disorder Florian Heinen (Germany)	Clinical expression of movement disorders & Epileptic seizures: Same neuronal networks? Philippe Kahane (France)	Neonatal EEG: Guidelines revised Ronit Pressler (UK), Sylvie Nguyen (France)	Screening for metabolic disorders in a child neurology department Jaume Campistol (Spain), Linda de Meirleir (Belgium)
---------------	---	--	---	---

08:45 - 10:00 **PLENARY SESSION 1**
From parents to the child: risks and outcome in children
Maternal pathologies

Pregnancy in multiple sclerosis: what are the consequences for the child?
Sandra Vukusic (France)

Metabolic Disorders: Diagnostic and management practices for phenylketonuria in Europe

Muscle Disorders: the example of Steinert disease

10:00 - 10:30 *Coffee Break and Poster Viewing* 

10:30 - 12:15 **PARALLEL SESSIONS**

	Inherited metabolic diseases - I	Epilepsy: Evolution of co-morbidities with age and global care	CNS Inflammatory diseases - I
10:30 - 10:55	PS 1: Synaptic metabolism: a new approach to neurometabolic diseases Angels Garcia-Cazorla (Spain)	PS 2: Psychiatric comorbidities in children with epilepsy: do they differ from adults? Lieven Lagae (Belgium)	PS 3: Autoantibodies Ming Lim (UK)
10:55 - 12:15	Selected oral presentations	Selected oral presentations	Selected oral presentations

12:15 - 13:30 **INDUSTRY SYMPOSIA**

1	2	3	4
---	---	---	---

13:30 - 14:30 *Lunch Break and Poster Viewing* 

14:30 - 16:00 **PLENARY SESSION 2**
From parents to the child: risks and outcome in children
Toxic exposure

Maternal epilepsy and effect of the AEDs on the child's neurological development
Torbjörn Tomson (Sweden)

Psychiatric disorders and the child's neurological development

Environmental toxics and birth defects
Mirjam Landgraf (Germany)

16:00 - 16:30 *Coffee Break and Poster Viewing* 

16:30 - 18:15 **PARALLEL SESSIONS**

	Neuromuscular pathologies	Epilepsy Surgery	Inherited metabolic diseases II
16:30 - 16:55	PS 4: Spinal Muscular Atrophy Isabelle Desguerre (France)	PS 5: Should we wait for children to become adults? Helen Cross (UK)	PS 6: Cell replacement therapies for paediatric leukoencephalopathic disorders Vivi Heine (The Netherlands)
16:55 - 18:15	Selected oral presentations	Selected oral presentations	Selected oral presentations

PRELIMINARY SCIENTIFIC PROGRAM

Thursday June 22

Monday
June 19Tuesday
June 20Wednesday
June 21Thursday
June 22Friday
June 23Saturday
June 24

INTERACTIVE EARLY MORNING TEACHING SEMINARS

08:00 - 08:45

Treating anxiety and/or depression in children

Genetics Techniques: What you think your neighbour knows in the field of genetics?
Mathieu Milh (France),
Damien Sanlaville (France)

Diagnosing and treating Narcolepsy in Children
Sameer Zuberi (UK)

Semiology of movement disorders: Comparing children & adult patients
Dianne Doummar,
Marie Vidailhet (France)

08:45 - 10:00

PLENARY SESSION 3
From parents to the child: risks and outcome in children
Genetics and environment

Outcome of children born by medically assisted procreation
Maryse Bonduelle (Belgium)

Genetic disorders mimicking viral infection
Yannick Crow (France/UK)

Epigenetics: Transgenerational non-genetic inheritance of acquired behaviours

10:00 - 10:30

Coffee Break and Poster Viewing

10:30 - 12:15

PARALLEL SESSIONS

Foetal and neonatal neurology

Epilepsy Treatment

CNS Inflammatory diseases II

10:30 - 10:55

PS 7: Neuroimaging findings as an outcome predictor
Linda de Vries (The Netherlands)

PS 8: Evidence-based trials in childhood epilepsies, should they differ from those performed in adults
Stéphane Auvin (France)

PS 9: Cognition and inflammatory diseases of the brain

10:55 - 12:15

Selected oral presentations

Selected oral presentations

Selected oral presentations

12:15 - 13:30

INDUSTRY SYMPOSIA

5

6

7

8

13:30 - 14:30

Lunch Break and Poster Viewing

14:30 - 16:00

PLENARY SESSION 4
From childhood to adulthood:
What did we learn from large cohort studies?

Lysosomal disorders

Duchenne Muscular Dystrophy
Nadia Belmatoug (France)

Genetic syndromes with behavioural and cognitive symptomatology: the example of Tuberous Sclerosis

16:00 - 19:00

Networking time

19:00 - 23:00

Gala Networking Dinner
Musée des Beaux-Arts

• PRELIMINARY SCIENTIFIC PROGRAM •

Friday June 23

INTERACTIVE EARLY MORNING TEACHING SEMINARS			
07:45 - 08:30	TBA	Genetic screening for epileptic encephalopathies in 2017 Rima Nababout, Gaëtan Lesca (France)	What to ask and how to read the MRI of a child with focal epilepsy? Nathalie Boddaert (France), Laura Tassi (Italy)
08:30 - 10:00	PARALLEL SESSIONS		
	Vascular Disorders	Epilepsy Diagnosis	Neurodevelopmental Disorders - I
08:30 - 08:55	PS 10: Optimal treatment of AV malformations	PS 11: Epileptic Seizures and Metabolic screening: when, which and for whom? Barbara Plecko (Switzerland)	PS 12: Rare Copy-Number variations and neuropsychiatric development disorders Sébastien Jacquemont (Switzerland)
08:55 - 10:00	Selected oral presentations	Selected oral presentations	Selected oral presentations
10:00 - 10:30	Coffee Break and Poster Viewing 		
10:30 - 12:15	PARALLEL SESSIONS		
	Neuro-Oncology	Neurorehabilitation (An EACD-EPNS joint session)	CNS Inflammatory diseases - III
10:30 - 10:55	PS 13: New drugs in neuro-oncology and Long-term outcome Jacques Grill (France)	PS 14: Evaluating rehabilitation methods	PS 15: Evaluation of new and existing therapeutics for paediatric multiple sclerosis? Barbara Bajer-Kornek (Austria)
10:55 - 12:15	Selected oral presentations	Selected oral presentations	Selected oral presentations
12:15 - 13:30	INDUSTRY SYMPOSIA		
	9	10	11
13:30 - 14:30	Lunch Break and Poster Viewing 		
14:30 - 16:00	PLENARY SESSION 5 From childhood to adulthood: Evolution of treatment concepts and therapeutic novelties		
	Gene therapy in neurometabolic disorders Marc Tardieu (France)		
	Innovative treatments in neuromuscular disorders Francesco Muntoni (UK)		
	Treatment trials in neurodevelopmental disorders: the example of fragile X Vincent Des Portes (France)		
16:00 - 16:30	Coffee Break and Poster Viewing 		
16:30 - 18:15	PARALLEL SESSIONS		
	Neurodevelopmental disorders - II	Inherited Metabolic diseases III	Movement disorders (an EAN-EPNS joint session)
16:30 - 16:55	PS 16: How does human cognition develop? Brain imaging studies in the first months of life Ghislaine Dehaene (France)	PS 17: Brain Iron Accumulation Susan Hayflick (USA)	PS 18: Treatment of movement disorders: can we use the same treatments in adults and in children? Jean-Pierre Lin (UK)
16:55 - 18:15	Selected oral presentations	Selected oral presentations	Selected oral presentations

• PRELIMINARY SCIENTIFIC PROGRAM •
Saturday June 24

Monday
June 19

08:30 - 09:00 **EPNS General Assembly**

09:00 - 11:00 **EPNS ACADEMY: Infectious diseases**

Tuesday
June 20

Congenital infections

Chairs: Hermione Lyall (UK), Linda De Meirleir (Belgium)

Congenital Toxoplasmosis an update

Prathiba Singhi (India)

Congenital Zika syndrome: beyond the microcephaly

Vanessa Vanderlinden (Brazil)

Congenital CMV infection: a Changing Paradigm

Hermione Lyall (UK)

Wednesday
June 21

11:00 - 12:30 **Highlights in Paediatrics Neurology**

12:30 - 13:30 *Closing ceremony - EPNS Scientific committee*
